

Treatment ²⁰¹¹ CENTER SPOTLIGHT

Gateway Rehab is a not-for-profit organization that provides treatment in locations throughout Western Pennsylvania and Ohio for adults and youth who are struggling with the disease of addiction to alcohol and drugs.

**For more information, call 800-472-1177
or visit www.gatewayrehab.org.**

Turning Point is a three-phase sober living program for young men ages 17-25. Firmly rooted in the 12-Steps, the phased approach toward independent living is designed to gradually expose young men to the challenges of early sobriety while providing them with the physical, emotional, and academic tools needed for lifelong success.
